

# REALTOR® Perks

Promote your business services to REALTORS® - for free - all year long! Under the Partnership Opportunities umbrella, the REALTORS® Association of Edmonton offers local businesses the opportunity to offer exclusive perks and discounts to REALTOR® members through **REALTOR® Perks**. And you can even choose to extend them to family members or clients if you so choose!

From insurance rates, tire changes, gym memberships, signage, and marketing material to home staging – we work with a variety of local vendors and businesses to reach the REALTOR® community in the Greater Edmonton Region and beyond.

As an annual **REALTOR® Perks** provider, you get your logo, company description and special offer listed on the Association’s member portal.
