Residential Unit Sales & Pricing Cools for September

Edmonton, October 4, 2021: Total residential unit sales in the Greater Edmonton Area (GEA) real estate market for September 2021 increased 0.9% compared to September 2020 and decreased 8.4% from August 2021.

New residential listings are up year-over-year, increasing 4.9% from September 2020. However, new residential listings are down month-over-month, decreasing 1.7% from August 2021. Overall inventory in the GEA was down 2.3% from September of last year and decreased 4.1% from August 2021.

For September, single-family home unit sales are down 2.8% from September 2020 and down 7.6% from August 2021 at 1,151. Condo unit sales increased 16.8% from September 2020 and decreased 7.0% from August 2021. Duplex/rowhouse unit sales were down 11.4% year-over-year and down 20.8% month-over-month.

All residential average prices are at \$377,554, a 0.3% increase from September 2020 and down 1.9% from August 2021. Single-family homes averaged \$453,011, a 2.8% year-over-year increase and a 1.9% decrease from August 2021. Condominiums sold for an average of \$224,212, a 3.5% decrease year-over-year, and prices are down 1.5% compared to August 2021. Duplex prices decreased 0.9% from September 2020, selling at \$337,236, which was a 5.1% decrease from August 2021.

The MLS® Home Price Index (HPI) composite benchmark price* in the Greater Edmonton Area levelled out at \$345,200, a 5% increase from September 2020, and down 0.6% from August 2021.

"The Edmonton market in September saw a healthy increase in new residential listings as compared to September 2020," says REALTORS® Association of Edmonton Chair Tom Shearer. "However, as to be expected at this time of year, the year-over-year residential unit sales in the GEA were only slightly higher than September of last year, while we have started to see a decrease in the month-tomonth activity. Naturally, the market is starting to cool after a very busy 18 months with pricing increasing a nominal amount year-over-year."

Single-family homes averaged 38 days on the market, a nine-day decrease from September of last year. Condos averaged 56 days on the market, a nine-day decrease year-over-year, while duplexes averaged 42 days on the market, a 10-day decrease compared to September 2020. Overall, all residential listings averaged 44 days on the market, decreasing by nine days year-over-year and increasing by two days compared to August 2021.

*The MLS® Home Price Index (HPI) is a measure of real estate prices that provides a clearer picture of market trends over traditional tools such as mean or median average prices. It is designed to be a reliable, consistent, and timely way of measuring changes in home prices over time. You can find more information on the following pages.

¹ Greater Edmonton Area (Edmonton and municipalities in the four surrounding counties)

² Single-family Dwelling

³ Average: The total value of sales in a category divided by the number of properties sold

⁴ Median: The middle figure in an ordered list of all sales prices

⁵ Residential includes SFD, condos, duplex/row houses and mobile homes

⁶ Includes residential, rural and commercial sales

⁷ Includes SFD, condos, duplex/row houses and mobile homes

³Average prices indicate market trends only. They do not reflect actual changes for a particular property, which vary from house to house and area to area. Sales are compared to the month end reports from the prior period and do not reflect late reported

realtorsofedmonton.com

sales. The RAE trading area includes communities beyond the GEA (Greater Edmonton Area) and therefore average and median prices include sold properties outside the GEA. For information on a specific area, contact your local REALTOR®.

The REALTORS® Association of Edmonton (Edmonton Real Estate Board), founded in 1927, is a professional association of real estate Brokers and Associates in the greater Edmonton area. The Association administers the Multiple Listing Service®, provides professional education to its members and enforces a strict Code of Ethics and Standards of Business Practice. The Association also advertises property listings and publishes consumer information on the Internet at www.realtorsofedmonton.com, and www.REALTOR.ca. REALTORS® support charities involving shelter and the homeless through the REALTORS® Community Foundation

Trademarks are owned or controlled by The Canadian Real Estate Association (CREA) and identify real estate professionals who are members of CREA (REALTOR®) and/or the quality of services they provide (MLS®).

*MLS® HPI Benchmark Price

The MLS® Home Price Index (HPI) provides timely, accurate, and detailed information on home price trends in residential markets of participating real estate boards in Canada. Average or median prices can change a lot from one month to the next and paint an inaccurate or even unhelpful picture of price values and trends. The MLS® HPI is based on the value home buyers assign to various housing attributes, which tend to evolve gradually over time. It therefore provides an "apples to apples" comparison of home prices across the entire country.

Each month, the MLS® HPI uses more than 15 years of MLS® System data and sophisticated statistical models to define a "typical" home based on the features of homes that have been bought and sold. These benchmark homes are tracked across Canadian neighbourhoods and different types of houses.

More information on the MLS® HPI can be found on the <u>REALTORS® Association of Edmonton website</u> or the Canadian Real Estate Association website.

 $^{^{\}rm 1}$ Please refer to Appendix A for the full list of areas within the Greater Edmonton Area (GEA).

² Residential includes all types of residential properties including Single Family Detached, Condominiums, Duplexes, Rowhouses, vacant lots, parking spaces, mobile homes etc.

³ Rural Sales do not include farms. A farm is a property zoned agricultural that is either revenue producing or 40 or more acres in size.

 $^{^4}$ Farms are included in Commercial if the property is zoned agricultural and is either revenue producing or 40 or more acres in size.

September 2021
